

Designed to be different

Being different doesn't mean being better. It's an attitude and belief that taking something familiar and changing the way you look at it creates possibilities. Designed differently from other tablets with its patented dual watchband hinges, the MIIX 700 opens the door for new and disruptive ways to work and play.

Lenovo™

WHY YOU SHOULD BUY THE LENOVO™ MIIX 700

Dual watch band hinge

The MIIX 700 is recognizably different and delivers a seamless transition between Laptop, Stand and

Intel® RealSense™ 3D camera¹

A camera that sees more like we do, so it can understand and respond to natural movement in three

Adaptive features

TPM and LTE¹ gives you the power and flexibility to use your device in almost any situation, at home, the office or anywhere

¹ Optional.

LENOVO™ SERVICES

Warranty Upgrades – On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions**(1-to-3 Years Total Duration)**

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
